If you need to log out during the registration process, this is how you would continue the player's registration later.

Log into your profile on the top taskbar there will be a tab.

## Program Registrations

The screenshot shows the GoSports web application interface. The top navigation bar is green and contains the GoSports logo and a user profile icon. Below the navigation bar, a horizontal taskbar lists various menu items: Dashboard, Account, Events, Reporting, Team Management, Team Selection, Program Registrations (highlighted with a red circle), Forms, Referee, and Family. The main content area is divided into a left sidebar and a central form area. The sidebar contains links to Account, Profile, Roles, Rosters, Registration History, Roster History, Tickets, Emergency Info, Family, Documents, Billing, Booking, and Recruiting Profile. The central form area is titled 'Program Registrations' and contains a 'Profile' tab. The form includes fields for Photo, Avatar, College Recruiting, First Name, Middle Name, Last Name, Suffix, Preferred First Name, Email/UserID, Contact Email, Gender, DOB, Preferred Date Format, Preferred Time Format, Preferred Language, Graduation Year, GPA, Password, and Ethnicity. There is also an 'OPT OUT of Email Communications From:' section with a checkbox for 'Opt out of all mass communications'.

This will take you back to where you left off with the registration process.
